
Square Foot Packages

It is AWFS & Freeman's intention to help in creating a pleasurable exhibiting experience for the 2021 AWFS® Fair.

We believe the introduction of the 'Exhibitor Square Foot Packages' will make this intention a reality, by taking the guess work out of exhibitor budgeting and ordering.

So we have created several optional square foot packages to address a variety of exhibitor needs. All that's left to do is pick the square foot budget plan that works best and focus on exhibiting.

Benefits of using Square Foot Packages

- Bundles a variety of Product & Services at a discounted price
